LICENSE ME

Rabies Vaccination Requirements

No dog license may expire after the expiration date of the dog's rabies vaccination. If your dog is due for a rabies vaccination booster during the next year, you must have it boosted now in order to have a full year license. If you choose not to have your dog vaccinated now, you will still need to pay the full annual fee and you will need to renew your dog license again after it has been vaccinated. Residents need to report any changes in status of ownership (i.e. deceased, moved, transferred ownership, lost or stolen).

Dog Licensing Requirements

All dogs 4 months of age or older must be licensed. Dog Enumerations (Census) are performed throughout the Town periodically, and as of January 1, 2011, all owners of unlicensed dogs will be subject to new fines and penalties, as set forth in the Town's newly adopted Local Law #4 of the Year 2010 — Dog Licensing & Control Law of the Town of Schuyler.
